

## Script for Scheduling Legislator Appts

When a legislator is in session, you will talk to their assistant when calling for an appointment. **Session starts May 12.**

\*Remember to identify the county you live in when scheduling appts.

Hi, my name is \_\_\_\_\_, I live in (city/county). I'm one of (or leg. Name) constituents. I would like to meet with (leg. Name) to discuss bills that are important to me. I will be in Raleigh on (date/time).

After you schedule the appt remember to THANK them & confirm date/time!  
Legislator's assistants are your best friend when it comes to communicating with legislators.

- If you are asked about bills (mention bill #):
  - S460 – Puppy Mill Bill, which will regulate kennels used for the purpose of mass breeding puppies for sale over the Internet, to pet stores, or directly to the public.
  - HB 1253/SB 739 – Wildlife Penning, outlawing wildlife pens where injured foxes and coyotes are used as live bait for dog competitions.
- Don't forget to take an agenda of adoption events and fundraisers!!!  
Legislators need to know how hard you are working for animals.
