

### Script for Calling Legislators for Vote

When a legislator is in session, you will talk to their assistant. Their assistant will keep a tally of yes/no votes.

\*Remember to identify the county you live in when calling legislators.

Hi, my name is \_\_\_\_\_, I live in (city/county). I'm one of (or leg. Name) constituents. (Bill #/name) is in (committee or floor) for vote at (time/date). I would like (leg. Name) to vote YES on (bill#/name).

\*Typically, you don't have to give a reason for wanting their vote. Be prepared to give a *very brief* explanation if asked.

Don't forget to say **THANK YOU!**

Legislator's assistants are your best friend when it comes to communicating with legislators.
